# ABOUT US

## **A School with a Difference**

Raj International School (RIS) was established with the vision of setting new standards in quality education.

Founded on 6th March 2011 and managed by Sh. Gurudayal Singh Memorial Education Society, the school has earned a strong reputation for academic excellence and holistic development.

RIS is a CBSE-affiliated, co-educational senior secondary school with well-defined Pre-primary, Primary, Middle, and Senior-secondary wings.

We follow a comprehensive education approach that focuses equally on academic learning, physical fitness, emotional growth, and social development, shaping students into responsible and confident future citizens. Located in the heart of the city, the school offers modern infrastructure, air-conditioned classrooms, indoor and outdoor sports facilities, and a scientifically designed curriculum to support students of diverse abilities.

# Our Vision

Our vision is to equip students with the knowledge, skills, and values required for lifelong learning and personal success. We aspire to inspire young minds to think independently, act responsibly, and actively engage with their community.

Guided by our core principles of Reverence, Resilience, and Excellence, we strive to shape individuals who are prepared to face challenges with confidence and integrity.

# Our Mission

At Raj International School, our mission is to provide high-quality education that empowers students to grow academically, socially, and morally. We are committed to creating a supportive learning environment that encourages the holistic development of every child.

We aim to nurture confident learners who feel valued, respect diversity, and understand the importance of inclusivity and mutual respect. Through meaningful learning experiences, we prepare students to contribute positively to society and thrive in a modern and multicultural world.

## A Different Approach – A New Way of Learning

Education has evolved significantly over the past decade, calling for innovative teaching methods and meaningful integration of technology. At Raj International School, we are committed to redefining traditional learning practices to meet the needs of today's learners.

Our approach focuses on individualized learning, where each student's abilities, learning style, and interests are understood and supported. By adopting modern educational tools and flexible teaching strategies, we aim to create a learning environment where every child has the opportunity to achieve excellence.

# What We Believe In

- Every child is unique, with the potential to succeed in their own way.
- A safe, calm, and engaging environment is essential for effective learning.
- Fair, transparent, and balanced assessments help build confidence and self-belief.
- Open and continuous communication with parents strengthens student's progress.
- Regular counselling and training support the growth of students, teachers, and parents alike.
- Equal opportunities for academic and personal development are vital for holistic growth.
- Customized teaching strategies help address individual learning needs and encourage deeper understanding.

## Our Commitment to Individualized Learning

Through thoughtful planning, personalized support, and continuous guidance, RIS ensures that learning is meaningful, inclusive, and aligned with each student's potential.

Mr. Rajinder Saini

# Message from the Chairman Sir

At Raj International School, we believe that education is not just about academic achievement, but about nurturing responsible, confident, and compassionate individuals. Our commitment is to recognize and develop the unique potential of every child while fostering a lifelong love for learning.

We strive to create a balanced learning environment where academics, sports, and the arts come together to support holistic growth. In a world that is constantly evolving, our focus remains on preparing students with the skills, values, and adaptability needed to succeed beyond the classroom.

Our dedicated team of educators works with passion and purpose to provide quality education and continuous guidance. Alongside academic excellence, we emphasize character building by instilling values such as integrity, respect, and responsibility in our students.

I sincerely thank our students, parents, and teachers for their trust and continued support. Together, we are building a nurturing community and shaping a brighter future, empowering our students to contribute positively to society.

Warm regards,  
Chairman  
Raj International School

# From the Principal's Desk

Mr. Kuldep Kumar

Welcome to Raj International School, Rewari. Our school is committed to providing a balanced and meaningful education that supports academic achievement while nurturing social and personal growth from Nursery to Senior-secondary level.

As the Principal, I am proud to build upon the strong foundation of trust, respect, and innovation that defines our school. Our students are at the heart of everything we do, and we strive to create a safe, inclusive, and encouraging environment where every child feels valued and motivated to achieve their best.

Alongside academics, we give equal importance to co-curricular activities such as art, music, sports, and technology, as they play a vital role in shaping confident and well-rounded individuals. Our dedicated team of educators works with sincerity and commitment to maintain high standards and foster a culture of excellence.

We strongly believe that a child's success is best supported through close collaboration between parents, teachers, and the school. I encourage you to stay connected with us and be an active part of your child's educational journey.

Warm regards,  
Principal  
Raj International School

# Infrastructure

# School Library

The library at Raj International School is a welcoming and well-organized space that supports learning, curiosity, and a love for reading. Managed by a full-time librarian, the library is accessible to all students, who are enrolled as members and encouraged to borrow books regularly.

With a rich and varied collection, the library caters to different age groups and interests. It includes fiction and non-fiction titles, encyclopedias, general knowledge books, and essential reference materials that support both academic learning and personal exploration.

Designed with comfortable seating and a calm atmosphere, the library provides an ideal environment for reading, research, and quiet reflection. To keep students engaged and informed, the collection is updated regularly with new and relevant publications.

At RIS, the library plays an important role in nurturing imagination, building knowledge, and developing independent learners.

# 3D Cinema

Raj International School takes pride in being the first school in Southern Haryana to introduce an in-house 3D Cinema as part of its learning infrastructure. With a seating capacity of 65 students, advanced acoustics, and high-quality soundproofing, this facility offers an immersive educational experience.

The 3D Cinema is used as a powerful visual learning tool to help students understand complex and abstract concepts more clearly. Subjects such as Science and Mathematics often involve ideas that are difficult to imagine through textbooks alone. Through 3D visuals, animations, and simulations, students are able to see and understand concepts such as chemical reactions, physical forces, biological processes, and mathematical principles in a more engaging and practical way.

## Art & Craft Room

The Art & Craft Room at Raj International School is a vibrant space designed to nurture creativity and imagination among students. It provides a platform where children can freely express their ideas through colours, shapes, and hands-on activities.

Through a variety of engaging art and craft activities, students learn to explore their creativity while developing fine motor skills and self-expression. Guided by trained art & craft faculty, these sessions turn everyday learning into meaningful experiences that leave lasting impressions and joyful memories.

## Multiple Dance Forms

At Raj International School, we encourage students to explore and develop their musical interests with confidence. Our music department offers structured training in both instrumental and vocal music under the guidance of qualified and experienced professionals. Students are introduced to Indian classical as well as Western music, helping them discover rhythm, melody, and creative expression.

# Shooting

Shooting as a sport or target practice can be important for personal development when practiced safely and responsibly. It is recognized as a competitive sport in events like the Olympic Games and is governed internationally by the International Shooting Sport Federation.

# Basketball

When players practice and improve their skills, they gain confidence. Basketball also teaches discipline and dedication through training and teamwork.

# Chess

“Play the opening like a book, the middlegame like a magician, and the endgame like a machine.”

Chess, a game deeply rooted in Indian heritage, is an important part of our sports and activities program. Students are introduced to both basic concepts and advanced strategies, helping them develop logical thinking, concentration, and problem-solving skills. Regular competitions at different levels provide opportunities for growth and healthy competition.

# Yoga

Yoga is an essential part of student life at Raj International School. Integrated into the school routine, yoga helps students maintain physical fitness while improving focus, mental balance, and self-awareness. It also plays a key role in managing stress and enhancing overall well-being, supporting both academic performance and personal growth.

# Taekwondo

Taekwondo is offered as a specialized martial arts program for students interested in self-defence and discipline. The training emphasizes strength, agility, focus, and confidence. We take pride in the achievements of our students, including representation at the national level, which reflects the quality of coaching and dedication within the program.

Our 'Badminton Program' follows the Shuttle Time initiative, focusing on agility, coordination, and tactical skills. Students learn the fundamentals of the game while also developing teamwork, discipline, and strategic thinking. The program encourages regular participation and promotes an active, healthy lifestyle.

# Badminton

# Volleyball

Our 'Volleyball Program' is designed to equip children with essential skills that prepare them for the next stages of their lives. Through engaging practices and competitive play, our dedicated coaches emphasize the importance of teamwork and collaboration, helping students develop a strong sense of team spirit and camaraderie.

# S K A T I N G

Skating is both enjoyable and beneficial for physical fitness. It helps students improve their balance, endurance, and strength while boosting self-confidence. As students master new skills, they gain a sense of achievement that positively impacts their overall personality.

# C R I C K E T

Cricket holds a special place in our sports program. Our structured training exposes students to modern techniques and competitive play, preparing them for higher levels of the game. Along with technical skills, students learn discipline, teamwork, and sportsmanship that extend beyond the field.

# Digital Classrooms

At Raj International School, we actively embrace technology to enhance the teaching and learning experience. As education continues to evolve, we remain committed to integrating modern digital tools that support effective and engaging learning.

Our classrooms are equipped with interactive digital boards that allow teachers to deliver lessons using visuals, animations, and multimedia content. This approach helps simplify complex concepts, keeps students actively involved, and improves overall understanding.

# Multi-Purpose Hall

The Auditorium and Multi-purpose Hall at Raj International School serve as vibrant spaces for learning, expression, and community engagement. Designed to host a wide range of academic and cultural activities, these spaces play an important role in enriching student life beyond the classroom.

# Computer Lab

In today's digital world, technology is an essential part of education. At Raj International School, we integrate computer education into our curriculum to ensure students develop strong digital skills from an early age.

# Laboratories

## Physics Lab

The well planned, spacious, and well-equipped Physics laboratory has all the interesting set of equipment to reinforce scientific and experimental concepts which facilitate in developing investigative skills. There are numerous models, charts, apparatus, kits, and experimental gadgets which are sufficient for satisfying the curiosity of each and every scientific mind.

## Chemistry Lab

The Chemistry laboratory of our school is designed keeping in mind all the statutory norms and safety standards. With the proper guidance and supervision of teachers, students learn to handle apparatus and chemicals. They also improve their understanding of various chemical reactions and processes. Logic and reasoning skills that develop in this lab will go a long way in ensuring success in later life.

## Biology Lab

Our Biology lab is well structured and designed which enables students to learn about detailed structures, morphological, histological, and physiological aspects of plants and animals. All the equipment and specimens that we have in the lab are open for the students under careful supervision. This is the place where curious minds are given a chance to discover before they are 'told'.

## Maths Lab

The Mathematics laboratory aims to nurture the logical, scientific, and analytical abilities of students. Numerous activities, puzzles, and games are planned for them which make learning fun and interesting. Students attain mastery of complex mathematical concepts through practical experiences. Thus, knowledge attained in this lab paves way for lifelong understanding.

**Caring, Trained & Child Psychology-oriented Team** ensures emotional security, proper guidance, and age-appropriate learning support.

**Clean, Spacious & Well-ventilated Classrooms** provide a healthy and comfortable learning environment for students.

**Air-conditioned Classrooms** are to provide climate-controlled environments prioritizing student comfort and well-being.

**GPS-enabled Transport Facility** for real-time vehicle tracking for safe and timely transportation.

**CCTV Surveillance** with audio and video recording to provide safe and secure learning environment.

**Wi-fi Enabled Campus** for digital learning and smart administration.

**Hygienic & Well-maintained Washrooms** ensure cleanliness, safety, and good health practices across the campus.

**Counselling Sessions** for personal and academic growth.

**Health & Diet Counselling** supports students' physical well-being through informed nutrition and lifestyle guidance.

**Student Wellness & Mindfulness Programs** focus on mental health, emotional balance, and positive mindset.

**UPSC Pre-foundation, Sainik School, JNV Preparation** for competitive and residential school exams and provide strong academic base.

**Specialized Competitive Exam Preparation** is provided for CLAT, CA Foundation, CS, NEET, IIT-JEE and NDA aspirants.

**Educational Trips** for real-world learning experiences beyond the classroom.

**Environmental Awareness Programmes** promote sustainability and eco-conscious practices.

**Students Community Clubs** for Plantation, Cleanliness and to help the needy persons.

**Students' Exposure** by 100% participation in the school assemblies, Intra-school competitions, Sport meet and Annual function.

# UNIQUE ACADEMIC PRACTICES

## Pre-Primary Wing (Pre-Nursery to KG)

- Books Designed by the School R&D Team.
- Innovative Teaching Methods.
- Emphasis on Play Way learning.
- Monthly Activity & Competition.
- Focus on Students' Health and Hygiene.
- Learning Through Various Method (Audio & Visual).
- Stage Exposure for Every Student.
- Personality Development Classes.
- Focus on Strong Foundation of Basic Concept.
- Remedial Classes for Slow Learners.
- CBSE Certified Trained Teachers.

## Primary Wing (1<sup>st</sup> to 5<sup>th</sup>)

- Emphasis on LSRW (Listening, Speaking, Reading & Writing) Skills.
- Handwriting & Moral Values Classes.
- Personality Development Classes.
- Preparatory Classes for Sainik School, JNV & Olympiads.
- ABACUS.
- Customized Curriculum.
- UPSC Pre-foundation Classes for Bright Learners.
- Students Personal Counselling.

## Middle Level (6<sup>th</sup> to 8<sup>th</sup>)

- UPSC Pre-foundation Classes for Bright Learners.
- Coaching Sections for Sainik School, JNV & Olympiads.
- Vedic Maths.
- Personality Development & Spoken English Classes.
- Doubt Sessions / Remedial Classes.
- Customized Curriculum.
- Entrepreneurship Foundation Classes.

## Secondary Level (9<sup>th</sup> & 10<sup>th</sup>)

- Pre-foundation Classes for NDA, IIT/JEE & NEET.
- Super 30 Batches for Board & Competitive exams.
- NMTC, IOQM & other Olympiads.
- Doubt Sessions / Remedial Classes.
- Personality Development Classes.
- Customized Curriculum.

## Senior Secondary Level (11<sup>th</sup> & 12<sup>th</sup>)

- Foundation Classes for IIT/JEE, BIT-SAT, NEET, NDA, ICAR, CUET/CLAT & CA/CS with Super 30 Batches.
- Preparation for CLAT & Banking.
- Worksheets, DPP's for Daily Practice.
- Personality Development Classes.
- Career Counselling Workshops by the Experts.
